Speaker & Panelist Overview

**COLLEGE
READINESS
101**

Event Overview

The Next Step Education team believes in a two-generational approach to college preparation. We will host an annual summer boot camp style event specifically for parents of college-bound students. The idea is to educate the entire household to be better prepared for the high school to college transition.

Parents can register at
www.nextstepeducation.org

Our Summit Workshop Speakers

Parent Preparation 101

A Blueprint to Follow For College-Bound Parents

Presentation Overview

The Parent Preparation 101 session will show parents the correlation between their parent profile and the trajectory of their child's post-secondary education journey. Parents will learn about their role in their child's college preparatory process and how to create a successful college readiness plan for themselves as their child matriculates through the remainder of their high school career.

Jay Johnson

Founder & CEO

College Prep U
Trussville, AL

Their Journey, Not Yours

How To NOT Live Vicariously Through Your Child

Presentation Overview

The Their Journey, Not Yours session will prepare parents to ride passenger seat through their child's college preparatory process. Parents will learn how to be mindful in their decision making role. The presentation will guide parents to be supportive as they allow their child to navigate their own college experience.

Brandi Day

Founder & CEO

iD.A.Y. Dream
Los Angeles, CA

The Recruiter's Notes

How To Strategically Apply To College & Interact With Recruiters

Presentation Overview

The Recruiter's Notes session will discuss the technical aspects of applying to college, covering what recruiters are looking for, high priority students, and understanding how to get the most of the application process. It will also cover how to navigate the best practices when interacting with college recruiters from students' top college choices.

Tanisha Johnson

College Recruiter

College of Coastal Georgia

Brunswick, GA

Let's Go Shopping

*Helping Your Child Find The
College That Best Fits Them*

Presentation Overview

The Let's Go Shopping session will show parents how to strategically collaborate with their child during the important college selection process. Parents will understand what it takes to create a plan to put themselves, their child, and their household in a better position for success.

Collaborating With Your Child's High School Counselor

Speaker:

Tyshiba Maxie

Clayton County Public Schools

Presentation Overview

The Collaborating With Your Child's High School Counselor session will provide pertinent information to parents on how to effectively connect with your child's guidance counselor, including parent vs. staff roles, realistic expectations, best practices and creating opportunities for success.

Tyshiba Maxie

Counseling Coordinator

Clayton County Public Schools

Jonesboro, GA

The College Prep Social & Emotional Well-Being Journey

Speakers:

Kim Ellis

Technical College System of Georgia

Presentation Overview

Your Child's Social & Emotional Well-Being will discuss the pitfall of focusing solely on the academic and financial aspects of a child's high school to college transition. Student mental health is very important to higher education professionals and the session will cover what to look out for, understanding the stresses of a student, and potential resources to use on campus.

Kimberly Ellis

Equity Coordinator
